

Request for Comments: Environmental Justice Community Self-Designation Process

Questions for Stakeholders

1. The Illinois Solar for All Program Team proposes that Environmental Justice (EJ) Community Self-Designation committee members serve renewable, staggered 2-year terms and no more than a total of 6 years. The Illinois Solar for All Program Team further proposes that the sitting committee members, the Program Manager, and the Illinois Power Agency determine the selection and renewal of members.
 - a. **Question:** Is a 2-year term appropriate to ensure sufficient experience on the committee?
 - b. **Question:** Is a 6-year term limit appropriate to ensure diversity of thought?
2. More detail is provided in the scoring rubric, and examples are given to help the reader understand how their application may be scored.
 - c. **Question:** Are the enhanced scoring rubrics and examples helpful?
